RESPONSE TO OFFICE ACTION

Dear Sir:

In response to the Office Action dated April 12, 2000, Applicants respectfully request reconsideration for the reasons set out below.

All of the claims are shown below in the Appendix for the convenience of the Examiner.

In the Claims

Please amend claim 12 as follows:

12. (Amended) A control circuit according to claim [1] 10, wherein the radio frequency stage includes a primary transformer winding, the feedback correction circuit being coupled to the primary transformer winding to adjust the amplitude of the feedback control signal.
